

Minimum System Requirements for MarketTime - B2B App for iOS & Android

MarketTime B2B App for iOS and Android

The MarketTime B2B App for [iOS](#) and [Android](#) devices is our basic order-writing app that can be used online and offline.

Fully Supported

The latest model of iPad and version of iPadOS and Android devices are fully supported by the MarketTime Pro app:

iPad

- 9th - 10th Generation iPad
- iPad Pro (2020 - Present)
- iPad Air (2021 - Present)
- iPad Mini (2019 - Present)

iOS/iPadOS

- [iOS 17](#)
- [iPadOS 17](#)

Android Devices running the following versions:

- [Android 14](#)

What does "Fully Supported" mean?

This means that all MarketTime B2B app features should function fully and correctly.

Partially Supported

The following models of iPads and versions of iPadOS and Android devices are partially supported by the MarketTime B2B app:

iPad

- 6th - 8th Generation iPad
- iPad Pro (2018 - 2020)
- iPad Air (2018 - 2021)
- iPad Mini (2018)

iPadOS

- iPadOS 16

Android Devices running the following versions:

- Android 12 - 13

What does "Partially Supported" mean?

While most MarketTime B2B app features should function correctly, you may notice a lack of functionality that can't be corrected due to software limitations or compatibility issues. On the other hand, you may not see anything that doesn't act the way you expect. If the problems with one of these devices or software options are too annoying, we encourage you to try one of the [fully supported devices or software versions](#) above.

Unsupported

The following models of iPads and versions of iPadOS and Android devices are unsupported by the MarketTime B2B app:

iPad

- 5th Generation iPad or earlier
- iPad Pro (2017 or earlier)
- iPad Air (2017 or earlier)
- iPad Mini (2017 or earlier)

iOS/iPadOS

- iOS 15 or earlier
- iPadOS 15 or earlier

Android Devices running the following versions:

- Android 11 or earlier

What does "Unsupported" mean?

You should use these devices and software versions at your discretion. We can't guarantee that all features will function fully and/or correctly, and support is not offered for those utilizing these devices or software versions to use the MarketTime B2B app.
