

MarketTime Payments: Faster, Smarter, Risk-Free

Empower your sales and eliminate financial friction with a unified payment ecosystem designed for the modern B2B marketplace.

Accelerate Your Cash Flow

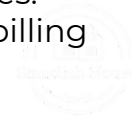

- **Zero-Risk Net Terms (NEW):** Offer 30–60 day terms with MarketTime, assuming all underwriting risk. You get paid immediately upon shipment - no waiting, no liability.
- **Automated Payment Recovery & Scheduling:** Eliminate the "payment chase" by scheduling charges for Net Terms orders and instantly requesting updated payment methods for declined or expired cards.
- **Secure Order Commitment:** Drastically reduce cancellations and "ghost" orders by securing credit card authorization at the point of sale.

Operational Efficiency & Integration

- **One-Click Dashboard Processing:** Execute transactions, pre-authorizations, and refunds in seconds - eliminating manual detokenization and complex multi-step workflows.
- **Flexible Order Management:** Seamlessly handle real-world logistics by applying multiple payments to a single P.O. and adding shipping or miscellaneous costs as needed.
- **Native NetSuite Integration:** Maintain a single source of truth by syncing your payment data effortlessly with your NetSuite ERP.

Security, Transparency & Data

- **Secure Digital Invoicing (NEW):** Send professional invoices for direct customer payment, removing the need to handle sensitive card data during busy market days.
- **Enterprise-Grade Protection:** Protect your business with full PCI DSS compliance and advanced descriptors that reduce the risk of chargebacks and customer disputes.
- **Transparent Analytics:** Gain instant clarity into your bottom line with flat-rate billing (no hidden fees) and real-time tracking of all payment data.
